

Organization and Management (ME708)

Detailed PYQ

September 2, 2026

Notes

- Questions from Tribhuvan University, IOE (2065–2082 BS), 29 papers, sorted by the ME708 syllabus.
- One common paper serves every programme — BEL, BEX, BCT, and BEI from 2079 Bhadra onward — so this subject has *no* second course code and no monospace axis.
- Regular exam = **bold**, Back exam = regular font. A header printing “Regular / Back” in one box counts as Regular, so **75 Ch** and the whole 2065–2068 block are bold.
- Months: Ba = Baishakh, Asa = Ashad, Shr = Shrawan, Bh = Bhadra, Ash = Ashwin, Ka = Kartik, Po = Poush, Ma = Magh, Ch = Chaitra.
- **Ash and Asa are different months.** The previous edition of this document tagged the 2070 Ashad paper “70 Ash”; it is 70 Asa. 2067 Ashadh is 67 Asa.
- 2065–2068 papers set six questions and ask for any five, so their parts carry 16 marks between them. The ten-question, attempt-all format begins at 2069 Chaitra. 2070 Ashad sets twelve and asks for any ten, and prints its marks in round brackets.
- 2072 Kartik prints no marks — its rubric says all questions carry equal marks, so each is 8. 2075 Ashwin prints no marks against Q5 alone.
- Keywords: (I) = Importance/Need/Significance, (+) = Advantage, (-) = Disadvantage, +Fig = Figure/Diagram, +Eg = Example, Vs = Compare/Differentiate.
